Real Estate Services

DESCRIPTION OF MAJOR SERVICES

RESD negotiates and administers revenue and expenditure leases on behalf of county departments. More than 300 revenue leases allow for the use of county-owned facilities, generally at county parks and airports, and generate revenue to offset expenses incurred to provide such facilities to residents and users. Approximately 240 expenditure leases are managed to provide facilities throughout the county for departments and their employees to support the delivery of services in locations convenient to the residents served.

RESD also provides appraisal, acquisition and relocation assistance for county departments and, upon request, to other agencies including San Bernardino Associated Governments (SANBAG), the State of California, and various cities. The department establishes values and acquires the necessary rights-of-way needed to complete public safety projects, including the construction and maintenance of transportation corridors and floodways. The department also acquires land and facilities for various functions, disposes of property determined to be surplus to the county's needs, and maintains an inventory of all county land and facilities.

Salaries and benefits of \$2,298,580 fund 24.0 positions, which is an increase of \$97,951 due to a Board-approved reclassification, MOU increases, and workers' compensation and retirement rate adjustments. On March 20, 2007, the Board of Supervisors approved the reclassification of 1.0 vacant Office Specialist (pay range 35) to Secretary II (pay range 38) to better align the classification with the actual duties of the position.

Services and supplies of \$352,839 include contracted appraisal, architectural, and space design services. The increase of \$111,810 is primarily for architectural and space design services to be completed for large projects.

Transfers of \$41,983 are primarily for personnel and payroll services. The increase of \$12,769 reflects adjustments for payroll processing, classified advertising costs paid to the Human Resources Department, and EHAP charges.

Reimbursements of \$100,000 are for architectural and space design services to be completed for large projects.

Current services revenue of \$1,498,056 reflects monies received from non-general fund departments and non-county governmental entities for services rendered. The increase of \$33,712 is due to additional projects anticipated in 2007-08.
